*Generic article number without the two digit suffix specific for a region or country destination when distributing an article.

**Effective length, length of the catheter that can be inserted into the body.

Sample pack, 5 catheters.

User-friendly packaging.

- Designed to be ergonomic, user-friendly, with an angulated handle – for good grip and non-touch technique. Connects to a urine collection bag or extension tube.
- Ready to use – ready when you need it, to enable fast handling and catheterization.
- Slim and discreet design.
- Lower container is recyclable as plastic (polypropylene).
- Not manufactured with PVC, phthalates or latex.
- Smooth eyelets.^{1,2}
- LoFric catheters are coated with the unique Urotonic™ Surface Technology. This ensures the catheter remains smooth and safe, both during insertion and withdrawal.^{3,4}
